Level of Leaders Coached

Leaders at all level and Entrepreneurs

Key Sectors

- IT/ITES
- Bio – Sciences
- BFSI
- Consulting

Sushil is an empath, and comes across as highly intuitive about the needs of others. His curiosity to learn, flexibility to adapt and a calm and composed state of being makes him a natural coach.

He is also known in the business for his critical and creative thinking ability leading to seek and create better solutions.

Identified as a high potential employee, he got mentored by leadership in his organization to become a leader.

Sushil has a **rich experience of leading diverse teams**, and has managed turnkey projects, and transformation journeys.

He chose training and coaching because that connected with his **deeper need of supporting and enriching people**.

My Strengths

Sushil has the ability to have deep generative conversations, be an empathetic listener, drawing out insights and help coachee take simple action steps.
